

Service Overview

Effective September 1st, all residents living in one, two and three unit dwellings in the Village of Hartville will be provided trash and recycling collection services by Kimble Recycling & Disposal. Residents can choose between two different service levels.

Each resident will be automatically enrolled at the unlimited service level. If a resident would prefer to have the low-volume bag service, they will be required to call the customer service office in Dover (1-800-201-0005) to change their service level during normal business hours.

High Volume Service: includes a 96-gallon cart for trash and a 65-gallon cart for recycling. Residents will be provided a dark green 96 gallon cart for trash and a light green 65-gallon cart for recycling. Residents choosing this service can place an unlimited amount of material at the curb. Items not fitting in your cart should be secured and placed at the curb in close proximity to the trash cart.

Low-Volume Service: There also is a "Low-Volume" Service available for residents that generate minimal quantities of trash. This is a great service for Sr. Citizens, singles and people that are very effective at recycling. Residents choosing this service will purchase Kimble trash bags from local vendors for \$1.50 per bag (in rolls of 10 bags). The cost of the bag includes the collection service. So, as you fill your trash bags, place them at the curb for collection. Residents choosing this service will purchase Kimble trash bags from Hartville Village Hall.

Recycling Service: Residents on the Low-Volume Service that wish to recycle can subscribe to the recycling service. Upon signing up for this service, residents will be provided a green 65-gallon recycling cart. As the cart is filled, simply place it at the curb on collection day. You will be invoiced \$4.00 per month "billed quarterly" for the weekly recycling service.

Recycling and Disposal Done Right

Village of Hartville

Refuse and Recycling Collection

Frequently Asked Questions
About Your Service With US.

Comprehensive Waste Collection and Recycling Services

- Waste Collection
- Recycling
- Local Service
- Community Minded

Billing: All residents will be invoiced quarterly in advance. Payment terms are 45 days before they are suspended for non-payment.

Customer Service: Residents with questions can contact us at 1-800-201-0005 between the hours of 7-5, Monday through Friday. On holiday weeks where collection days are delayed, the offices will be staffed on Saturday from 8 am to 12 pm to answer any questions that arise.

Collection Schedule: Residents will be required to have their waste at the curb by 7:00 AM on Mondays with holiday exceptions.

*Holiday Schedule— We will be closed on six major holidays:

- NEW YEARS DAY
- MEMORIAL DAY
- INDEPENDENCE DAY
- LABOR DAY
- THANKSGIVING DAY
- CHRISTMAS DAY

***If your trash service falls on or after a holiday, during the week, your collection will be delayed one day. Should one of these holidays fall on a Saturday or Sunday, all collections will be performed on the normal collection day, without delay.**

Temporary Containers - Customers can rent commercial or industrial containers for cleanup and construction projects. Standard container delivery, collection and disposal charges will apply.

96-gallon carts— High Volume customers will receive a dark green 96-gallon cart for their trash and a bright green 65-gallon cart for recycling. Residents on the "Low-Volume Bag Service" will also be able to subscribe to Recycling Service. They will be provided a 65-gallon cart and invoiced quarterly at the rate provided in the contract.

Items Not Collected: We will not collect ashes, drums, hazardous waste, oil, paint, solvent liquids, medical waste, flammable and toxic waste, tires, large batteries, dead animals, large car parts, rocks, bricks, stone, dirt, any items in excess of 50 pounds, unsecured bundles of material that are unsafe for collection or anything over 4 feet in length.

Yard Waste: Kimble will collect leaves, grass clippings and other vegetation mixed in with your regular weekly trash from residents with high volume service. You can also place it in bags, cans or bundles providing the cans have a bottom that is a smaller diameter than the top. Also, boxes should be dry and bundles should be no more than 4' in length and securely tied in manageable sizes. No individual item should weigh more than 45 pounds. Residents on Low Volume Service should place yard waste in their Kimble bags. Otherwise, you will be charged for extra bags, boxes, or bundles.

Bulk material (brush, tree or shrub trimmings including Christmas trees, board, fencing, paneling, carpeting, etc.) shall be cut in 4' lengths and tied in 18" bundles, weighing not more than 50 pounds. Small shrubs will be picked up in one piece if they are within the specified limitations. Loose material must be bagged, boxed, or placed in trash cans, and is also subject to the above weight restrictions.

Furniture and/or appliances or other listed items shall be picked up on the regular collection day. Picnic tables, chairs, and benches are considered furniture. For more information on bulk pricing please see the reverse side of this brochure

RECYCLING GUIDELINES

Kimble will be providing you a bright green 65-gallon recycling cart to place and store your recyclables for collection day. Set your recycling material at the curb, next to your trash on the regular collection day in your area. All acceptable items may be placed in the bright green recycle cart. No sorting needed.

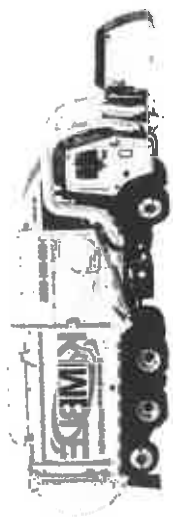

GLASS

All food and beverage containers made of glass can be recycled, regardless of color. Simply remove the cap, rinse them and place in the bin. No need to remove labels. Please, no herbicide or pesticide containers, window glass, light bulbs, mirrors or ceramics.

PLASTIC

All Food and Beverage containers and other plastics with the #1 thru #7 printed on the bottom can be recycled. Again, please rinse and place in your bin. Motor oil, antifreeze, pesticide and herbicide containers should be placed in your trash when empty.

Family Owned & Operated based in Dover, OH. With over 600 employees, operating in a 24 county territory in Eastern Ohio with 60 Years in the service industry.

ALUMINUM AND STEEL CANS

Rinse all metal food and beverage containers and place them in your recycle cart. Removing labels is not required. For added space in your cart, consider cutting tops and bottoms out and flattening the cans.

NEWSPAPER AND OLD CORRUGATED CONTAINERS (OCC)

Old corrugated containers (OCC) should be cut down to fit in the cart. If you're placing it outside the cart, after cutting it down into squares, secure with a string or masking tape. OCC or cardboard that is lined with foil, plastic, wax coated, soiled or wet should be included with your trash as these types of materials will contaminate the good paper products. Other items that should be excluded from your recyclables are food service paper, cups, and plates.

ITEMS NOT PART OF OUR RECYCLING PROGRAM	
Batteries	Gas Cans
Pyrex	Oil Jugs
Window Panes	Crystal
Windshields	Glass Doors
Metal Caps	Wood
