

## **ELECTRICAL INSPECTION FEES**

The Village of Hartville follows the NEC 2008 Code Book.

1. Fees to be collected for permits for the installation, alteration, and repair of electrical wiring and equipment shall be as follows:
  - (a) New construction: **\$25.00 plus \$1.00 per 100 sq. ft.**
  - (b) Additions, remodeling: **\$25.00 plus \$1.00 per 100 sq. ft.**
  - (c) Service entrance, water heater, furnace/air conditioning, range, dryer and generator: **\$25.00**
  - (d) Temp pole: **\$25.00**
  - (e) Electrical heating, including "baseboard" heating: **\$25.00**
  - (f) Re-inspections, made necessary because of incompetent, incomplete, or negligent work (per inspection): **\$25.00**
  - (g) Signs: **\$25.00**
  - (h) Service inspection for moved houses (new basement must be wired to code standards): **\$4.00 plus 10 cents per outlet** added in house and new basement.
2. Swimming Pool Permit: **\$25.00**
3. Contractor Registration Application:      **\$50.00 New**      **\$25.00 Renewal**

## **INSTRUCTIONS FOR INSPECTIONS**

Call the Village Office when you are ready for an inspection. Please leave instructions as to how the Electrical Inspector can get into the house. (330) 877-9222. Our Electrical Inspector is part-time, so a 48 hour notice is needed.

- 1) Underground (trench) if needed.
- 2) Rough and Service inspection – must be done at the same time, before rock lathe, with a notice of 48 hours in advance.
- 3) Final inspection – is required before anyone moves in, this is to make sure that it is property grounded.
