#### REGULATIONS FOR KEEPING DOMESTIC FOWL

- A permit shall be issued only to the primary owner(s) of record of a single family residence located in a residential district. The permittee must reside on the premises regulated by the permit.
- 2. The propagation of chickens for commercial purposes or for any purpose not related to the personal use of the permit holder is prohibited; this includes fertilizer production and/or the sale of eggs.
- 3. Roosters shall be prohibited.
- 4. No person shall slaughter any chickens on the premises regulated by the permit.
- 5. Chickens shall be housed within a detached stationary structure used only for hens.
- 6. One henhouse shall be permitted per lot, provided that the property does not include a storage shed, gazebo or other similar building.
- 7. Temporary and/or movable devices and structures including chicken tractors shall be prohibited.
- 8. Chickens shall be secured within a henhouse during non-daylight hours.
- 9. Chickens may not roam free outside of a henhouse or enclosed run.
- 10. The maximum size of a henhouse shall not exceed 18 square feet.
- 11. No henhouse or henhouse shall be located no closer than 20 feet from any property line and 50 feet away from any residence.
