**VILLAGE OF HARTVILLE
STARK COUNTY, OHIO
ORDINANCE NO. 1-22.01**

ORDINANCE NO. 1-22.01, amending and replacing Ordinance 1-15.14, requiring the registration of contractors and subcontractors with the Building Department of the Village of Hartville, Ohio, and declaring the same to be an emergency.

**BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF HARTVILLE,
STARK COUNTY, OHIO**

Section 1: Findings and Determinations. This Council finds and determines the following matters:

- (a) The Village desires to promote the public health, safety, and general welfare of its residents by requiring the registration of contractors and subcontractors with the Village's Building Department.
- (b) All formal actions of this Council relating to the enactment of this Ordinance were taken in an open meeting of this Council and all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public in compliance with the law, including Section 121.22, Ohio Revised Code.

Section 2: Definitions. For the purposes of this ordinance, the following definitions apply:

- (a) "Contractor" means any person, firm, or corporation entering into a written or oral contract or agreement as a primary or general contractor to supply goods, services, or labor within the corporate limits of the Village. For the purpose of this ordinance contractors are, but not limited to: General Construction/Demolition, Electrical, HVAC, and Sewer.
- (b) "Subcontractor" means any person, firm, or corporation, assuming by secondary contract or agreement, some or all of the obligations of the primary or general contractor.
- (c) "Village" means the Village of Hartville, Ohio, which, in the act of registering does not certify, endorse, or imply the qualifications of any contractor.

Section 3: Registration Requirements.

- (a) Before supplying goods, services, or labor, contractors and subcontractors must register with the Village's Building Department.

- (b) This registration requirement does not replace or supersede any applicable State or Federal licensing requirements.
- (c) This registration requirement does not apply to work personally performed by property owners on or to their primary residential dwellings.

Section 4: Registration Fees and Bonds.

(a) **Registration Fees** – Before registration is granted and before any expiring registration is renewed, the contractor or subcontractor must pay the Village’s initial registration fee (“Registration Fee”), or the renewal fee (“Renewal Fee”), as the case may be, in the amount as established by the Village’s Fee Schedule Ordinance, as amended from time to time. All registrations are valid for one calendar year, from January 1 to December 31. In order for a registrant to be qualified for the Renewal Fee, the renewal must occur no later than thirty (30) days from the expiration of the current registration.

(b) **Bonds** – Each applicant for a registration, must, before receiving a registration, submit a Surety Bond to the Village. The Surety Bond must be issued by a company approved and authorized to issue bonds by the State of Ohio bound to the Village in the penal sum of \$10,000.00.

Section 5: Liability Insurance Required. No person may act as a general contractor or subcontractor within the Village, nor may be registered, unless that general contractor or subcontractor deposits with the Village, a certificate of liability insurance for \$1,000,000 issued to that general contractor or subcontractor by a company approved and authorized to issue such insurance by the State of Ohio. Coverage must be kept current during the effective life of the registration period. Failure to maintain coverage and provide proof of coverage is grounds for revocation of a registration.

Section 6: Registration Renewal. Each registration expires on December 31 of each year, and will be renewed only upon application and payment of the required renewal fee to the Village.

Section 7: Suspension or Revocation. Any registration may be revoked upon conviction of the registrant of any such certificate; conversion of property or funds belonging to another, failure to complete any contract or work undertaken under this registration, unreasonable delay in the completion of work performed, use of unapproved or fraudulent material, involuntary petition of bankruptcy by registration certificate holder, or unauthorized departure from plans or specifications agreed to by certificate holder and owner.

Section 8: Failure to Register. Should any contractor or subcontractor be found by the Zoning/Building Officer to be performing work without registering with the Village, then the Officer shall cause all work to cease immediately until all of the requirements listed in this Ordinance have been met.

Section 9: Penalty. Any person who violates any provision of this ordinance is guilty of an offense punishable by a fine of not less than \$100 nor more than \$1,000.00. Each day that a violation continues is deemed a separate offense.

Section 10: Repeal of Inconsistent Ordinance. To the extent that any previous and/or existing Ordinance of the Village is in conflict with this Ordinance, the same is hereby expressly repealed upon the passage of this Ordinance, including but not limited to Ordinance 1-15.14.

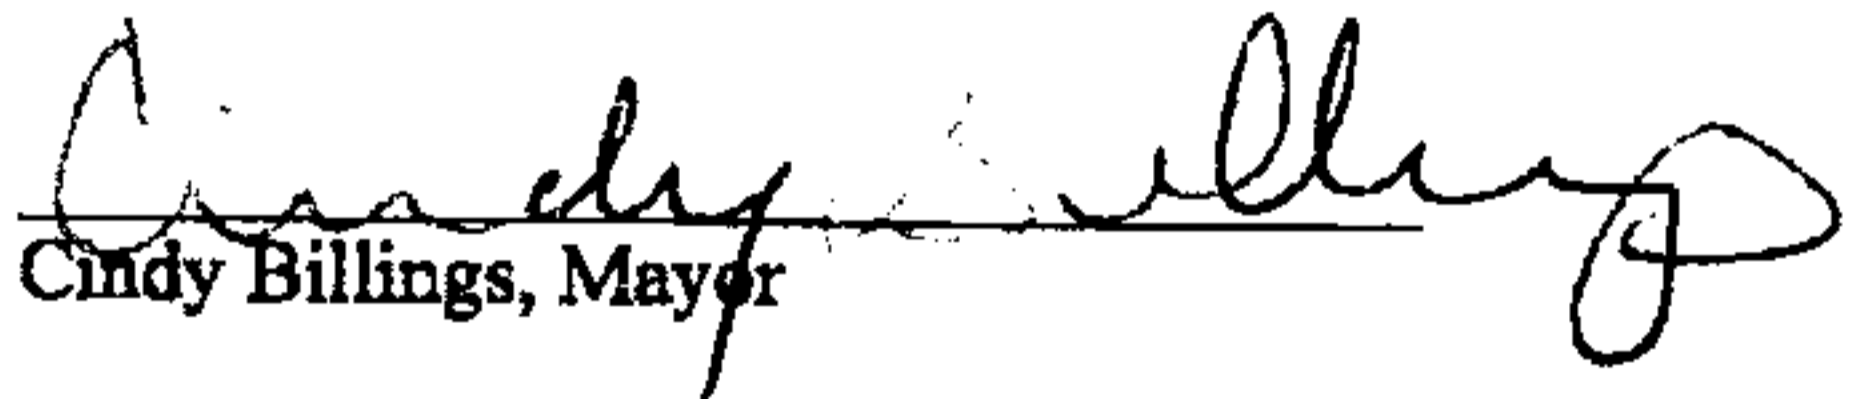

Section 11: Statement of Emergency. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety, and welfare of the Village and its inhabitants.

Section 12: Effective Date.
