POOL PERMITS

This is a brief overview of what you will need. However, before proceeding with final plans, it is always recommended that you consult with Village employees to ensure all requirements have been addressed.

A swimming pool means an enclosure, temporary or permanent, above or below ground, containing water to be used for bathing, wading or swimming, which shall contain eighteen (18) inches minimum depth of water.

1. A Zoning Permit must be pulled first. Once approved (usually 1 to 3 days), then proceed to pull a Building Permit, Heating and Electrical if needed. (See fee schedule below)
2. Provide 2 sets of your plans, plot/site plan, and specs. Indicate any structures on the plot/site plan, including house, shed, fence, deck, and the placement of your proposed pool. Also, show how far from the lot lines you intend to place the pool.
3. What type of pool (in-ground or above ground), depth and diameter.
4. The wall of an in-ground swimming pool/spa shall not be within six (6) feet of a rear or side property line or within ten (10) feet of any street. All swimming pools/spas shall be placed in the rear yard.
5. Above ground swimming pools shall be placed in an area which is structurally acceptable, provided no part of the pool, pool enclosure or deck exceeds six (6) feet in height above grade.
6. Any pool 24 inches or more in depth shall have an enclosure surrounding the pool area. The enclosure shall extend not less than four (4) feet above the ground. All gates shall be self-closing and self-latching with the latches placed at least four (4) feet above the ground.
7. An electrical permit may also be required and must be obtained by the electrician you have hired. In ground pools will need two inspections (Bonding-as wire is put in, and Inspection — at time of completion.)
8. **All contractors must be registered with the Village of Hartville.**
9. After submission, it normally takes 1 — 3 days for the plans to be approved. You will be contacted when the permit is ready and it can be picked up and paid during normal business hours. (See above hours)
